Enterprise Information Resources Inc. Recognized as 2018 SAP® Pinnacle Award Winner Finalist

Enterprise Information Resources Inc. (EIR), Enterprise Information Resources Inc. (EIR) announces SAP has named EIR as a finalist for an SAP Pinnacle Award in the ISV Partner of the Year Market Expansion Award category.

EIR's award, based on recommendations from the SAP field, customer feedback and performance indicators, recognize the benefits that EIR Compensation Analytics™ software provides SAP® SuccessFactors® customers.

"We are very pleased to be recognized by SAP. The SAP Cloud Platform technology plus our software, EIR Compensation Analytics™ brings customers the ability to transform annual compensation cycles with fast and easy access to compensation data analytics and reporting," said France Lampron, president and CEO of EIR.

"We are compensation experts. SAP is the cloud expert. EIR transforms compensation processes. EIR Compensation Analytics aggregates, integrates and summarizes compensation data from multiple sources while ensuring accuracy and role-based data security. SAP Cloud Platform offers customers speed and flexibility and a rich set of features that make this transformation possible," continued Ms. Lampron.

EIR is one of 44 partners recognized from thousands of organizations in the SAP partner ecosystem.

"The open partner ecosystem of SAP has more depth, talent and expertise than any ever created in the technology industry," said Bill McDermott, CEO of SAP. I could not be prouder of the great partners who earned this prestigious recognition for their commitment to our customers."

The SAP Pinnacle Awards acknowledge the contributions of leading SAP partners that have excelled in developing and growing their partnership with SAP and helping customers meet their goals.
