Enterprise Information Resources Inc. Announces SAP Certification of EIR Compensation Analytics at SAPHIRE NOW® Conference

Enterprise Information Resources Inc. (EIR), an SAP partner, is announcing SAP certification of EIR Compensation Analytics™ for SAP® Cloud Platform at SAPHIRE NOW® and ASUG Annual Conference (May 16–18, Orlando, FL) in Booth 786A. At the conference, customers running SAP SuccessFactors® solutions will have the opportunity to discuss how the proven analytics and reporting features of EIR's software can automate and transform their annual compensation cycle.

EIR Data Tools – Compensation Analytics 2.0 is certified as an extension package for SAP SuccessFactors Compensation solutions built on SAP Cloud Platform. EIR Compensation Analytics provides people involved in the compensation process access to timely, actionable data and analytics. The variety of analytics and reports available allows compensation professionals to maximize their investment in SAP SuccessFactors solutions.

“EIR's software is full of features that are a direct result of our experience with SAP SuccessFactors solutions and customers,” said France Lampron, president and CEO of EIR. “EIR's consulting work keeps us close to customer needs, and our relationship with SAP allows us to provide software that fully supports SAP SuccessFactors Talent Management Suite.”

SAPHIRE NOW and the ASUG Annual Conference are the world's premier business technology event and largest SAP customer-run conference, offering attendees the opportunity to learn and network with customers, SAP executives, partners and experts across the entire SAP ecosystem.
