

August 17, 2016 - Waltham, MA

## **Enterprise Information Resources Inc. Announces its Participation and Presentation at the SAP SuccessConnect 2016 Annual Conference**

Enterprise Information Resources Inc.™ (EIR), an SAP partner, today announced that it will participate (Booth 16) and present at the SAP SuccessConnect 2016 annual conference being held August 29-31, 2016 at the Venetian Palazzo Resort & Casino in Las Vegas, NV.

SuccessConnect is the premier event for HR professionals; where industry influencers, current and prospective customers, technology partners and solution experts come together to share experiences, best practices and new innovations.

EIR, a Gold-level sponsor, will co-present "How SAP HANA Cloud Platform Enabled Compensation Management Success at CVS Health and Cargill." Hear how these organizations optimized the power of SAP HANA® Cloud Platform, SAP® SuccessFactors® solutions and EIR DataTools™. The presentation will take place on August 31, 2016 from 2:15 – 3:15 pm in the Delfino Room 4001A.

Both CVS Health and Cargill maximized technology investments by developing new on-demand decision-support reporting tools providing managers and HR business partners with in-depth, user-friendly information enabling faster and more efficient compensation decision processes.

"This year's conference is particularly exciting for EIR because we will be sharing the great possibilities that SAP HANA Cloud Platform offers SAP SuccessFactors customers," said France Lampron, president and CEO of EIR. "Our customers are delighted with the functionality and speed SAP HANA Cloud Platform provides. EIR's expertise helps bring these tools to life."

### **About SuccessConnect 2016**

SuccessConnect 2016 will deliver exclusive content and keynotes from SAP and SAP SuccessFactors executives, customers, industry thought leaders and other well-recognized leaders. The event will also include programs for prospective customers

who want to learn more about how SAP SuccessFactors solutions can help businesses foster environments where success is simply human.
