Enterprise Information Resources Inc. Sponsors and Presents at SuccessFactors' SuccessConnect – Simplifying the Way the World Works

The Venetian/Palazzo Resort & Casino - Las Vegas, NV - August 10-12, 2015

Enterprise Information Resources Inc. (EIR™), a consulting and software tools firm specializing in base compensation and variable pay, today announced that the company is a gold-level sponsor and is presenting at two sessions at SuccessFactors', an SAP company's, annual SuccessConnect conference. SuccessConnect is one of the top HR events of the year, where industry thought leaders, current customers, technology partners and solution experts come together to share experiences, best practices and new innovations. The conference will be held from August 10-12 at The Venetian/Palazzo Resort & Casino in Las Vegas, NV.

SuccessConnect 2015 will feature industry luminaries who will present authoritative answers and perspectives during keynotes and dozens of in-depth sessions. The event will assemble SuccessFactors and SAP customers and partners, including EIR, as well as thought leaders, to discuss what's happening in the market, the major trends impacting HR and the business, and the role of technology in simplifying the way the world works.

EIR's continued cooperation with SuccessFactors is helping companies accelerate their business execution. EIR has leveraged its understanding and proven track record within the compensation market and combined this expertise with SuccessFactors' market-leading solutions to bring extensive functional knowledge, a proven service methodology and deep technical expertise to deliver solutions that meet the business goals of SuccessFactors' customers. EIR has SAP-validated expertise in HR cloud solutions.

At SuccessConnect 2015, EIR's president, France Lampron, will present with Clinton Shoap, global process manager of Global HR Operations at Cargill, Inc., on "Transforming a Global Compensation Process: Efficiency and Scalability with SuccessFactors." France Lampron is also presenting with Leslie Apony, manager of Customer Value and Adoption at SuccessFactors, on "SuccessFactors Compensation: Optimize and Adopt the Latest Features."

"Simplifying the way the world works is a fitting title to this year's SuccessConnect conference," said EIR's Lampron. "We are working with customers today that are envisioning new solutions for more efficient compensation systems as they migrate to the cloud, evolve a compensation solution or implement an entirely new compensation system."

SuccessConnect 2015 will deliver world-class content and keynotes from SAP and SuccessFactors executives, customers, industry thought leaders and other well-recognized leaders. The event will also include programs for prospective customers who want to learn more about SuccessFactors® solutions.
